

**Ephy Nkunzi** 2005 participant as a learner in a creative workshop at Luhlaza High School, held by Mural-artists from D and SA . 2006 visiting Aachen within the Luhlaza-Inda-School-Exchange (LISE) & hosting German learners in Khayelitsha . 2007-09 studied Graphic-Design & Photography at Cape College, Cape Town . Photographer of the "FACES of the Partnership" . "If you ignore your dreams, they are coming more and more; what you resist persist. – Through the partnership I have grown, I learned to listen to my heart and I know now I can achieve what I want. The people in the partnership were always supportive."

LISE Kinder the world is breaking to pieces, while human nature is coming together God in my heart
