

Nosisa Merile educated as nurse, then studied Horticulture at Cape Technikon & Adult Education .
 worked at Kirstenbosch Botanical Gardens & Abalimi . since 2006 Director of Nceduluntu Development Programme .
 responsible for 16 community halls in Gugulethu, Philippi, Crossroads & Nyanga: garden-maintenance like grass-
 cutting, paper- & waste recycling, tree-pruning & -felling (using organic material as compost, mulch & fire material),
 planting trees . 2004 volunteer in Aachen, at the NGO Stadtoasen, creating food gardens & changing school-yards .
 “From the partnership I learned a lot, it opened my mind for my surroundings, working with NGOs, with the
 community, with volunteers, to give them structures and to create jobs. – I am here today because of the partnership
 and Abalimi. It is a big challenge and dream for me to work with different cultures and people. It is a thing that God
 gave me.”
