

William Williams

education in Business Management & Social Development . Director of Selfhelp Manenberg – focussing on early childhood development, family focussed & youth program, catering, hospitality training & life skills . since 2005 in the partnership . 2007 signing Memorandum of Agreement with Welthaus Aachen . 2008 visiting Aachen . 2009 facilitator of the project “colOURful busSHELTERS” in coordination with Phoenix Secondary School . 2010 child-care project “Speelhuis” . “The support people have throughout lives is what shapes how they turn out. There is plenty of support for each kid (in Germany) to be channelled to be the best they can be. When your opportunity scale is bigger, you know that anything is possible. – What we still have is the spirit of Ubuntu and this needs to be preserved.”

awareness & envy of the “haves” & “have-nots” friendship learning spirit of
 UBUNTU seasons of the weather, people & organisations infrastructure
